

**Activity Report on:**  
**One Day Training for RRC Coordinators and Peer Educators**

**Organized by:** Arunachal Pradesh State AIDS Control Society (APSACS)

**Venue:** Hotel Golden Orchid, C-Sector, Naharlagun. A.P

**Date:** 5<sup>th</sup> February 2026

**Timing:** 09:30 AM to 04:00 PM

The one-day training program for Red Ribbon Club (RRC) Coordinators and Peer Educators, , was held on February 5, 2026, at Hotel Golden Orchid in C-Sector, Naharlagun. Organized by the Arunachal Pradesh State AIDS Control Society (APSACS), the event aimed to educate participants on key topics related to addiction, counseling services, HIV prevention, thalassemia, cervical cancer, adolescent challenges, and Red Ribbon activities. The agenda featured a structured schedule with sessions led by expert resource persons, interspersed with discussions, breaks, and concluding remarks. Arunodaya University deputed its **Coordinator Mr. Pranjai Saikia** along with a Peer Educator Name **Tino Muri** to participate in the training session.

The training was designed to equip RRC Coordinators and Peer Educators with essential knowledge and skills to address public health issues, particularly those affecting youth in Arunachal Pradesh. Topics covered a range of preventive and educational aspects, aligning with APSACS's mission to combat HIV/AIDS, substance abuse, and related health concerns. The event commenced at 09:30 AM and concluded by 04:00 PM, ensuring a focused yet comprehensive day of learning and interaction.

❖ **KEY SESSION AND HIGHLIGHTS:**

1. Opening Ceremonies (10:30 AM - 11:00 AM):

The event began with a welcome address by Ms. Mongam Riba, followed by self-introductions, a word of advice from Dr. Annong Borang. This segment set a collaborative tone for the day.

2. Addiction Awareness (11:15 AM - 12:10 PM):

Mr. Kenjom Doji from Kripa Foundation delivered a session on the fundamentals of addiction, covering its causes, mechanisms, and impacts. An open discussion allowed participants to share insights and queries.

3. Counselling Services (12:10 PM - 01:15 PM):

Ms. Mudang Rimung discussed available counseling resources under APSACS, emphasizing their role in supporting individuals affected by health issues. This was followed by another open discussion to address participant concerns.

4. Youth Role in Prevention (02:15 PM - 03:00 PM):

Shri. Ramesh Jeke highlighted the critical involvement of youth in preventing HIV, thalassemia, and cervical cancer, drawing from the work of the Arunachal Life Saving Foundation.

5. Adolescent Challenges (03:00 PM - 03:50 PM):

Shri. Ashim Kawah addressed the developmental hurdles faced by adolescents and the importance of proactive interventions, based on the Birds & Bees Talk program.

6. Red Ribbon Activities and Conclusion (03:50 PM - 04:00 PM):

Ms. Bomter Basar led a discussion on ongoing Red Ribbon initiatives, fostering ideas for future engagement. The day wrapped up with concluding remarks by Dr. Marbom Basar, summarizing key takeaways and motivating participants.

Breaks for tea and lunch were incorporated to maintain energy levels and facilitate informal networking among attendees.

Some glimpses of the participants from Our Arunodaya University.

## NATIONAL SERVICE SCHEME

### ❖ Outcomes of the Programme:

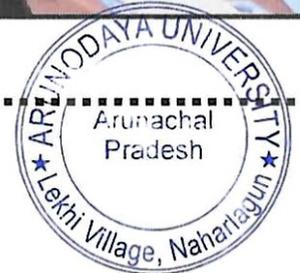

- Enhance understanding of addiction and its prevention.
- Promote awareness of counseling and health services.
- Empower youth leaders in combating HIV, thalassemia, and cervical cancer.
- Address adolescent issues and integrate them into community programs.
- Strengthen Red Ribbon Club activities through shared knowledge.

### ❖ Conclusion:

The training program represented a vital step in building capacity among youth educators for health promotion in Arunachal Pradesh. By covering diverse yet interconnected topics, it reinforced APSACS's commitment to preventive healthcare. The structured agenda ensured efficient use of time, and the involvement of experienced resource persons added credibility and value to the event. Overall, this initiative is poised to have a positive ripple effect on community health awareness and intervention efforts.
